PLEDGE OF ALLEGIANCE

READING OF MINUTES FROM AUG. 19 MEETING

TREASURER'S REPORT

PLANNING COMMISSION REPORT:

Zoning/building permits:

1. Jacob and Sayge Raebel, 30524 Three Feathers Court. New home construction on empty lot. All setbacks in order. Commission approved.
2. John and Sandy Lund, 29904 County Road 2, Frontenac (small house across from Villa Maria). Screen porch addition to existing house, construction of a pole shed on existing foundation. Several concerns noted by Goodhue County and our Planning Commission, which denied permit request partly because the property is zoned commercial/retail. Bill Bruce will provide details at Town Board meeting.
3. Brad Ellison, 32455 Lakeview Drive. Replace accessory building. Commission approved building permit while recommending that the township adopt a county demolition permit if it's approved by the county.
