Comments:

Narrative Description

This house occupies Lots 14, 15 and 16 of Block 20 of the Original Town. It faces south at the northeast corner of Wood Avenue and McLean Street (County Road 2 Boulevard) and overlooks the west end of the St. Hubert’s Lodge property (GD-FLC-026). The one-and one-half story house rests on a concrete block foundation. The L-plan has a one- and one-half story, gable-roofed main block with a gable-roofed, one-story wing (1998, Goodhue Co. Assessor). There are shed-roofed dormers on the main block and wing. The roof is clad in composite shingles. Replacement windows contain double-hung sash as well as casement units. The main entrance, on the wing, has an offset entry. The entry is sheltered by a full-length porch supported by simple chamfered posts. The exterior is clad in metal siding. There is a detached, gable-roofed, two-car garage (1997, Goodhue Co. Assessor) at the north property line. It has a shed-roofed dormer and the roof is clad in composite shingles.

History

This appears to be an early 20th-century addition to Block 20 of the Original Town, which had only two buildings in 1894. It was built during a period when a few recreational properties were added to the townsite but after most development was complete. A builder has not been identified.

Statement of Significance

Included within the boundaries of the Old Frontenac Historic District as listed in the National Register of Historic Properties (NRHP) in 1973 (Lutz 1973), this building is associated with summer home development that continued to the Post-World-War-II period. Although some of the building’s bungalow characteristics appear to have been remodeled in recent years, it retains enough integrity to convey its significance.

Historic Context: "Tourism, Recreation, and the 'Lure of Old Frontenac,' 1868-1950."
