

Florence Township Park Commission

August 5, 2014 Meeting Minutes

Attendance: Julie Karlsrud, Ron Knudsen, Bill Siewert, Dean Nelson and 7 guests

Minutes of the July meeting were read and approved.

There was one new Park Activity Application that we were informed about, however the application was submitted to Brad and he was unable to attend due to a family emergency. The application was from Brent Urbach for an Archery range at the NW corner of Wakondiota. It would be part of a project for an individual from Red Wing to earn his Eagle Scout Award. Brent was going to talk with neighbors in the area of the park where this would be and it was tabled until commissioners had more details.

Park Business:

Community Center - still working on details to bring kitchen up to code.

Frontenac Station - nothing new at this time

Wakondiota - a couple of examples were available for ideas of a new building and how to get electricity to the building, More details to come

Valhalla - still looking for an arborist and working on questions to use for the interview process and will need to schedule the community walk of Lake Ave Way

New Business:

Gordy Johnson had a heart attack and can no longer do the mowing of the parks. Bill Siewert has been doing the mowing, it takes 8 to 12 hours to complete and noted there are problems with moles.

Meeting adjourned at 6:25 p.m.

Respectfully submitted - Julie Karlsrud
