

Florence Township Heritage Preservation Committee

Meetings Minutes from 8 September 2015, 6 PM

Attendees: Clay Ruggles, Bill Bruce and Kathy Kouchich.

Read the minutes from the 11 August 2015 meeting.

Kathy Kouchich has forwarded a letter to the Town Board requesting to become a member. We are pleased to have Kathy as a new member.

Clay has solicited and received a bid to reside the Town Hall with steel siding. That bid will be discussed at the next HPC meeting.

Bill has not been successful in contacting any of the contractors identified as potential bidders at the last HPC meeting. Donny Dopkins and Jake Davidson did not return calls.

Bill did contact a painting contractor from Rochester, Hewitt Painting. They have experience painting wood siding. They supplied the addresses of several past customers. Allen Hewitt agreed to visit the Town Hall and submit a bid. We should be able to discuss that bid at the next HPC meeting. They are 'lead paint certified'.

The meeting adjourned at approximately 6:30 PM.

Meeting Agenda for 13 October 2015

Discuss the painting and residing bids. We have one painting bid from Hewitt Painting and one residing bid from Ryan.
