

Florence Township Park Commission

June 3, 2014 Meeting Minutes

Attendance: Brad Stone, Julie Karlsrud, Ron Knudsen, Bill Siewert, Dean Nelson and 11 guests

Updated final maps of the park design and the walking review were laid out and reviewed by all in attendance. A motion was made and approved to present the revised plan to the town board for approval.

Minutes of the May meeting were read and approved.

There were no new PAA's received.

The PAA's that were tabled from the previous meeting were reviewed and motions made and approved to not accept the two PAA's from Jim and Emily Reitter and the one from Chateau Frontenac Homes Association. There were several items requested in these PAA's that were the opposite of what is in the park design and recommended by the professionals.

Upon town board approval of the new park plan the next step would be to develop a plan to proceed...where to start, set up procedures how, etc.

The brush dump is locked up and will be open the last Saturday of the month from 9 to noon for residents to use.

A "No Dumping" sign is in place at the Community Center. There is nothing new at the Frontenac Station park. Wakondiota park - Satellite is in place. Valhalla/BoatRamp - there have been items dumped in this park and the high water is adding additions items. Steamboat - nothing at this time.

A motion was made and approved to have the PAA's added to the township web site for all to view.

There is a list of volunteers to help with park needs. Anyone wishing to be added to this list should let Bill know.

Next meeting will be July 1, 2014.

Meeting adjourned at 7:05 p.m.

Respectfully submitted - Julie Karlsrud
