The Florence Township Heritage Preservation Commission has made every attempt to provide accurate information in this document. Some information contained herein may differ from previous printed information, but we have exercised extensive research in an attempt to be as accurate as possible. We solicit your review of this document and request your assistance in identifying any information (including its sources) that will improve the accuracy of our heritage preservation.

Our heritage is comprised of all that have experienced the Frontenac Historic District. Remember that heritage consists of the people, places, and events that have occurred in the past. Today will be tomorrow's past so we must continually record our heritage for following generations.

Thanks for your assistance and interest in our Heritage Preservation.
