

Florence Township Heritage Preservation Committee

Meeting Minutes from 9 August 2016

Only Mike and Bill attended this meeting. This was the same night as the Township Primary election, so we met in the back room.

Bill informed Mike of the two building projects in Old Frontenac.

- (1) Ellen Stewart, 28733 ManyPenny Avenue, is replacing the roof on her garage. She was present at the last Planning Commission meeting and was informed that this does not require HPC or Planning Commission approval.
- (2) William Rolsch, 29153 Leroy Avenue, is expanding the size of an existing residence. He was present at the last Planning Commission meeting. Bill will sign the HPC Design Review Application at the next Town Board meeting.

Both parties contacted Bill prior to the Planning Commission meeting.

The meeting adjourned at 6:15 PM.
