

Florence Township Heritage Preservation Committee

Meeting Minutes from 11 October 2016

Clay, Kathy, Mike and Bill attended this meeting.

Once again, the discussion was focused on the Town Hall exterior. Should the old siding be removed? If so, what would we find underneath? Or, should we side over the existing siding? Who can we get to do the work? Most contractors are currently busy.

No definitive answers.

The meeting adjourned at 6:15 PM.

Meeting Agenda for 8 November 2016

(1) On-going discussion of Town Hall exterior:

Any discussion at the last Town Board meeting?

Denny Schumacher bid solicitation.

Kerby Rigelman bid solicitation.

Clay, info about Ryan Windows and Siding.

(2) Approach the Town Board about notifying Goodhue County that neither the HPC nor the Township require approval for a roof replacement.

(3) Anteblian property. Should the HPC, and possibly the Goodhue County Historical society, encourage the owner to take steps to preserve this property?
