

Florence Township Heritage Preservation Committee

Meeting Minutes from 13 October 2015

Attendees: Mike Blair, Clay Ruggles and Bill Bruce

The meeting started at 6PM. The minutes from the 8 September 2015 meeting were read.

We received a bid to paint the Town Hall from Hewitt Painting, LLC of Rochester for \$87,400. They are 'lead paint certified'. The consensus is that this bid will not be considered further.

Donny Dopkins of Red Wing has promised a painting bid, but it has not been received yet.

The only other bid that we have is from Ryan Windows and Siding, Inc. of Rochester to install steel siding to the Town Hall. That bid is \$19,821.

We discussed the merits of both siding and painting. Clay stated that the limited life of a paint job of ten years or less made siding a more economical alternative. Bill stated that putting steel siding on the Town Hall may not be agreeable with some township residents.

The meeting adjourned at approximately 6:30 PM.

Meeting Agenda for 10 November 2015
