

Historical Preservation Commission

Meeting Minutes, September 18th, 2012

Attendance: Char Henn, Art Hamilton, Brad Stone, Virginia Oliver, Kerby Rigelman

Meeting Called to order at 7:00 pm

Minutes from the July 17th, 2012 meeting were approved. There were no minutes from August since there wasn't a quorum of members for that meeting.

Two DRA's were received. One from Darlene Odden at 28785 Wood Avenue to put new shingles on her roof. The DRA was approved. The second one was from Pamela Miller regarding building a new home on the empty lot at 34779 Wells Street. The DRA was approved.

Brad Stone solicited comments from the Heritage Commission regarding the working draft of the Park Plan. The Plan will be revised to include a provision that requires the Park Commission to seek HPC approval to change or add a permanent structure in an historic district. Otherwise, the HPC was supportive of the Plan.

Preservation Day will be held next year at a time to be announced. There isn't time remaining this year to develop a program and schedule a Preservation Day. The Friends of the Florence Town Hall will develop and schedule a program that they will host.

The meeting adjourned at 8:30 pm.
